

sinbo

Household Appliances  
Catalogue

With a wide small household appliances product range, Sinbo has served the consumer market for years. Manufacturing in Turkey, Sinbo exports its products to many countries throughout the world any time and in any quantity.

Sinbo's policy is to decrease production costs by manufacturing in large amounts, providing high quality products at affordable prices while continuing to add new lines to its existing range.

Always setting higher goals to achieve, Sinbo aims at becoming one of the most prominent brands in the world.

Making no concessions in quality, Sinbo will continue to improve its practices and develop high quality products at affordable prices while introducing new and innovative products to make life easier for its customers.

- 3 hour Quick Charge for handle pack. The standby pack is 12 hours charging
- Use Li-polymer battery of each 1000mAH for Super Long operation time
- Operation time is approximately 80 mins
- Accessories: 7 attachment combs (3, 6, 9, 12, 16 & 20mm & blend comb), Professional precision hair cutting stainless steel blade, Lubricating oil, Cleaning brush, Moustache comb, 7" barber comb, Charging base & Linear Adaptor, 7"scissors, Normal 4 color printing gift box

SHC 4346

**NEW**

#### Rechargeable Hair Clipper

- Cordless operation
- Stainless steel blades
- Built in Ni-Cd battery
- 8 Hours charging time
- Indication light in blue color
- Built-in guider
- Accessories: With oil, comb, scissors, brush, charging cable and plug

SHC 4339

**NEW**

#### Rechargeable Hair Clipper

- Stainless steel blades
- Integrated comb guide: 7 positions (from 6 mm to 17 mm)
- Charge time: 8-12 hours
- Can work more than 40 minutes
- Built in 1x 600mAh Ni-CD battery
- On/Off switch
- Accessories: Cleaning brush, scissors, lubrication oil, barber comb, charging cable
- 3W

SHC 4331

#### Beard and Moustache Trimmer

- High quality stainless steel blades
- Cordless operation owing to being rechargeable
- Charge stand with light
- 3 different length setup for trimming (0,5 / 1,5 / 2,5mm)
- Built in 3x600mA battery
- 2 steps speed control
- Ergonomic design
- 3W

SHC 4344

#### Beard and Moustache Trimmer

- High-quality sharp stainless steel blades
- Cordless operation thanks to rechargeable battery
- 8 hours full charging
- Durable battery provides 45 minutes operation after full charge (1000 mAH)
- Charge cradle with power indicator light
- Accessories: Charge cradle, clip on comb, shaving head, cleaning brush, maintenance oil and adapter
- 3W

# Personal Care

STR 4912

Nose Trimmer

- Cuts nose and ear hair safely and efficiently
- No risk of cutting
- Washable - for hygienic cleaning
- Slim Design
- Protective cap
- Operates on 1 AA battery

STR 4913

Nose Trimmer

- Battery operated (1.5V battery)
- Stainless steel blades
- Dry item
- Protective cap
- Slim design
- No risk of cutting

NEW

STR 4914

Nose Trimmer

- Battery operated (1.5V battery)
- Stainless steel blades
- Dry item
- Protective cap
- Slim design
- No risk of cutting

STR 4911

#### Sideburn and Nasal Hair Trimmer

- Ergonomic design with easy grip surface
- Replaceable head pieces for nose, ear, sideburns, beard and neck hair
- Illuminating light provides better view
- Optimal trimming performance
- Operates on 1 AA battery

STR 4916

NEW

#### Sideburn and Nasal Hair Trimmer

- Ergonomic design with soft-touch surface
- Optimum cutting performance
- Washable design, simply rinse under running water
- LED light
- 2 head attachments for trimming nose, ear hairs and for sideburns, beard and neck hairs
- Storage stand • Cleaning brush
- Transparent comb attachment • 1 AA battery operated (not included)

### Digital Glass Body Scale

- Equipped with high precision "strain-gauge" sensor"
- Power saving LCD display
- Safety tempered glass with wooden platform
- Ultra-slim design
- Capacity: 150kg, 330lb or 24st
- Graduation: D=100g or D=0.2lb
- Unit: KG/LB/ST
- Automatic zero resetting •Auto-on
- Auto-off function •Overload indicator
- Low battery indicator •Power: 1 x CR2032 battery
- LCD viewing area: 78x 38mm

SBS 4418

### Glass Digital Body Scale

- Equipped with high precision 'unit-measurement' sensor
- Durable glass stepping platform
- 5kg-150kg weighing capacity
- 100g precision •Power saving LCD indicator display
- Switching off with foot
- Automatic reset • Automatic shutdown
- Overload warning •Battery low warning

SBS 4421

### Glass Digital Body Scale

- Equipped with high precision "strain-gauge" sensor
- Tempered safety plate glass platform
- Capacity: 5kg-150kg
- Division: 100g •Power saving LCD display
- Foot-tap switch
- Automatic zero resetting
- Automatic switch off •Overload indicator
- Low battery indicator •Operated by 1PCS CR2032, included

# Health

SBS 4419

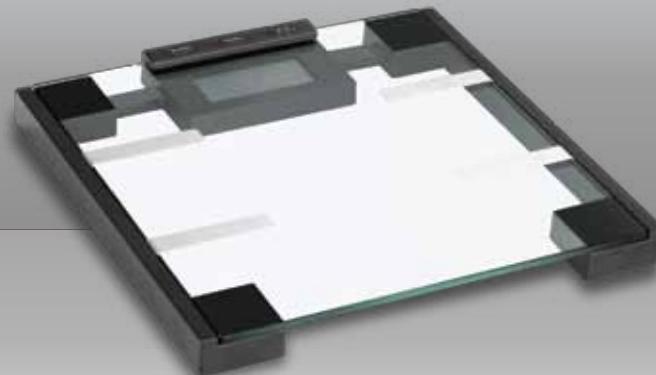

## Digital Body Scale

- Full brushed stainless steel platform
- Equipped with a high precision strain gauge sensor system
- Ultra thin design
- Large LCD Display
- Capacity: 150kgs/330lbs
- Graduation: 0.1kg/0.2lb
- Safety glass panel
- Automatic to turn on the scale
- Auto zero resetting/power off
- Low power / over-load indicator
- Power: 1 X 3V CR2032 lithium battery, included

SBS 4425

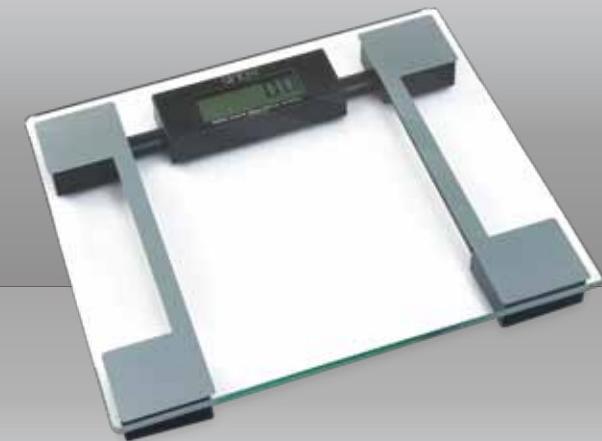

NEW

## Glass Digital Body Fat Analysis Scale

- Body fat scale with body water, calorie, BMI, body bone and body muscle measurement
- Equipped with high precision "strain guage" sensor
- Safety tempered glass platform
- Capacity: 150kg / 330lb / 24st
- Graduation: D=100g or D=0.2lb
- Unit: KG / LB / ST
- Automatic zero resetting
- Button-press power on
- Auto-off function
- Overload indicator
- Low battery indicator
- 3-button operation
- 10-user memories

SBS 4414

## Glass Digital Body Scale

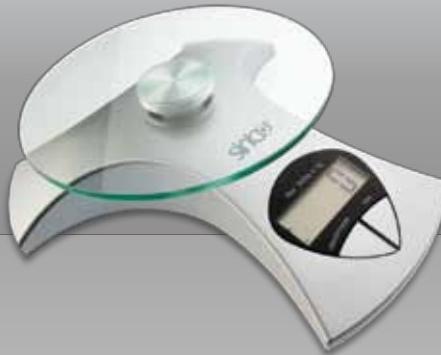

- Step on operation
- Kilogram (kg) and Pound (lb) unit options
- 5-150kg weighing
- 100g precision
- 4 sensor system for accurate weighing
- Wide LCD display
- Low battery / overload warning indicator
- Automatic reset and shutdown
- Operates on 1 AA CR2032 Li battery
